PRESIDENT'S LETTER

Hello!

Welcome to the 2026 season of Maumee Little League!

My name is Anthony Tscherne, and with this being my third season as president, I'm even more excited for what we can accomplish for the MLL program and, more importantly, the players of our community this year.

I'm thankful to be part of an amazing group of people on the MLL board that are willing to help guide such a great group of young players in their development on and off the field. These experiences will become cherished memories as they get older. In speaking with previous board members, coaches, and players, every one of them have incredible stories from their time in Maumee Little League. I fully believe that we as a board will continue to uphold that tradition and move the organization forward.

So with all of that, let's give our players the support, encouragement, and confidence to play their best baseball and build friendships that will last a lifetime.

Thank you all again for your commitment and I'm looking forward to the best season yet!

Thanks,

Anthony Tscherne
 President
